**MATT SURFACE**

## **IMPRESSIVE & LUXURY LIVING SPACE**

Our innovative spirit has helped us to create a diverse market appropriate product range that is an extremely useful tool for architects, interior designers and builders alike, We believe in technological innovations and making tile manufacturing progressively safer and more eco-friendly by offering eco-sustainable ceramic products to the customers.

# “THE PERFECT SELECTION,”

Designed to create a calm and serene environment along with showing class and character to living and working spaces of all surfaces, our tiles make a style statement allowing you to choose from a wide range of designs, textures, colors, and effects.

## DURABLE IN QUALITY

We use state-of-the-art machines and automated processes along with high-quality materials to produce world-class marble porcelain tiles that are scratch resistant, waterproof and maintenance free providing exceptional customer experiences.

## TECHNICAL FEATURES :

MATT SURFACE

**FEEL UNIQUENESS  
AN EMBELLISHING AND  
THE CHARM**

## THAT SHAPE THE PERCEPTION OF MODERN SPACE

A story that adds new chapters every time. Hidden away in the varied, multi-faceted appeal of marble are stories from the past and present, pulsating with life. A fine line separates the artificial from the natural, when light spreads through and leaves its mark on surfaces strongly bonded with the living styles of the future.

The inspiration comes from Italian Living origin: the distinctive Marble and the deep Fusion Effects, both crossed through by white veins and with a small-medium grain.

The other colors start out from black, gradually shifting through dark and light grey to white. The subtle texture and veins, tempered with a very light white, reminiscent of the night sky in black, give the product a smooth, extremely sophisticated appearance.
